Anthony Renden, Speaker  
California State Assembly  
Capitol Office, Room 219  
Sacramento, CA 94249-0063

Dear Speaker Renden:

I am requesting that the Assembly Ethics Committee investigate whether or not taxpayer dollars and/or state resources were used inappropriately by Assembly Republican Leader Chad Mayes in his pursuit of an extramarital affair with former Assembly Republican Leader Kristin Olsen.

Specifically, I believe that Sergeants, staff, travel within the state, lodging, per diem, etc. were used at times by Assembly Member Mayes to foster and conceal this relationship from the public. As you know, it is the obligation of every legislative member to be a good steward of taxpayer dollars, and I believe the committee will uncover that Mayes misused these funds, and acted unethically and in a manner unbecoming of a member of the California State Assembly.

I respectfully seek an Assembly Ethics Committee investigation. Thank you for your consideration. If you should have any questions, I can be reached at [REDACTED]

Sincerely,

ROD OLSEN
